MASTER SERVICES TERMS

INTRODUCTION

These are Digicel's standard Master Services Terms which apply to Services that Digicel supplies to ICT customers (each a **Customer**) unless the Customer signs a negotiated Master Services Agreement. If a Customer signs a Master Services Agreement with Digicel, the Master Services Agreement apply to Services that Digicel supplies to the Customer. Digicel's standard Service Terms also apply to the Services unless the Customer has signed a Service Order with its own Service Terms which Digicel has accepted.

Digicel may change these Master Services Terms and any Service Terms relevant to services supplied to the Customer from time to time without notifying the Customer provided that if a change has a material adverse effect on the Customer:

- (a) Digicel will notify the Customer of the change; and
- (b) the Customer may terminate the Service without incurring any Early Termination Fee by notifying Digicel within 7 calendar days of receipt of the material adverse change from Digicel.

If the Customer continues to use the Service, the Customer is deemed to accept the change notified by Digicel.

These Master Services Terms and Digicel's standard Service Terms (as varied from time to time) are available from the Digicel Business website at www.digicelbusiness.com. Subject to Digicel notifying the Customer of any material adverse change, the Customer is deemed to have notice of the Master Services Terms and any relevant Service Terms as published on the Digicel Business website and varied from time to time.

These Master Services Terms are incorporated by reference into a Service Agreement that is made up of the Service Details and the Service Terms. The law that governs the Service Agreement is as set out in Clause 17.6 of these Master Services Terms.
